

## Material Safety data sheet

### DREAM K-LOTION ANTI-DAMAGE – EASY CARE

#### 1 Elements identifying the substance or preparation and the company

Commercial name: **Dream K-Lotion** Anti-damage  
Sales code: 44099900  
packaging: 8 ml (0.27 fl oz)vials (box containing 16 vial

#### **Manufacturer/supplier:**

UNICOMPANY S.p.a. - Via Pontina vecchia km 33,600 Ardea (Rome)  
Telephone number for urgent calls to the company and/or to an official consultancy body:  
UNICOMPANY S.p.a. - Tel. +39 069145177

#### **Technical person who is responsible for writing MSDS:**

[dninivaggi@unicompany.it](mailto:dninivaggi@unicompany.it)

#### 2 Hazard identification

**Danger classification:** F (flammable)

#### **Indication of specific dangers for man and environment:**

P102 - Keep out of reach of children.  
P233 - Keep container tightly closed.  
H225 Highly flammable liquid and vapour

#### 3 Composition/information on ingredients

**Description:** hydroalcoholic solution of non-dangerous additive

#### **Ingredients (according to INCI nomenclature):**

Propylene glycol, Alcohol denat., Aqua, Myristyl alcohol, Cetrimonium chloride, Parfum, Polyamide-2, CI 19140, CI 14720, CI 16255, CI 28440, CI 73015, Tetrasodium disuccinoyl cystine, Benzyl benzoate, Hexyl cinnamal, Eugenol, Succinic acid, Alpha-isomethyl ionone, CI 42051, Phosphoric acid, Cinnamal, Cinnamyl alcohol, Prunus armeniaca kernel oil, Chenopodium quinoa seed extract, Hydrolyzed cicer seed extract, Lens esculenta seed extract.

#### **Dangerous substances:**

Quantity	N.67/548/CE	CAS	Name/classification
35-45%	603-002-00-5	64-17-5	Ethanol
			Other name: alchool etilic
			H225 Highly flammable liquid and

#### 4 First aid measures

**Contact with the eyes:** Wash with running water

**Contact with the skin:** nothing

**Swallowing:** Wash out the mouth. Consult a doctor immediately

**Inhalation:** the product is not dangerous if inhaled

## **5 Fire fighting measures**

### **Suitable extinguishers:**

Large amounts of water. No type of extinguisher prohibited

**Combustion risks:** Combustible

**Specific protective equipment:** Nothing

## **6 Accidental release measures**

**Personal protection:** Nothing

### **Environmental precautions:**

Prevent any infiltration into the drains/surface water/phreatic water supply  
If the product reaches watercourses and/or drainage system, advise the public authorities.

### **Cleaning/absorption methods:**

Collect up the product with suitable medium. Use suitable container to the disposal.

## **7 Handling and storage**

**Handling:** product can be handle without problem

**Instructions in case of fire and explosion:** nothing

### **Storage:**

#### **Requirements for the warehouse and containers:**

Store in a cool place.

Store in the original sealed containers

Check the state and temperature of containers at frequent intervals.

Protect from heat and direct sunlight.

## **8 Checking individual protection/exposure**

**Precautionary measures:** none

**Respiratory protection:** none

**Hand protection:** not necessary

**Eye protection:** none

**Skin protection:** not necessary

### **General working health and hygiene precautions:**

Keep away from food, drink and animal fodder

Wash your hands before taking a break or on finishing work

Avoid contact with the eyes

## **9 Physical and chemical properties**

Appearance and colour:

BROWN SOLUTION

Odour:

Characteristic of fragrance

pH(product as is):

between 7.0 and 7.5

Boiling point:

> 80 °C

Flash point:

27° C

Properties supporting combustion: combustible

Vapour pressure: not available

Water solubility: soluble

Vapour density: not available

## **10 Stability and reactivity**

### **Thermal decomposition /conditions to be avoided:**

Stable in normal conditions. Avoid heat, heat sources

**Dangerous reactions:** it can trigger combustion

**Dangerous decomposition products:** none

## **11 Toxicological information**

Acute oral toxicity: >6000 mg/kg  
Primary irritability for skin and eyes: None  
Allergic sensitisation: None.

## **12 Ecological information**

Use in accordance with normal rules of good practice at work, avoiding any dispersion of the product into the surrounding environment  
Do not release into the phreatic water supply, streams and rivers or drain

## **13 Notes on waste disposal**

### **Product:**

Do not dispose of the product along with normal domestic waste.  
Do not pour into the drains

### **Dirty packing materials:**

Dispose of in conformity with current administrative requirements

## **14 Transport information**

**ADR/RID rail/road transport (outside national boundaries):** UN 1993

Flammable liquid n.o.s.(Ethanol, Alcohol), 3, PG II (E)

**ICAO-TI and IATA-DGR air transport:** UN 1993 Flammable liquid n.o.s.

**IMDG marine transport:** UN 1993 Flammable liquid n.o.s.(Ethanol, Alcohol), 3, PG II (E)

## **15 Information on regulations**

Classification according to Regulation (CE) 1272/2008:

**Product danger code and labelling:** Cosmetic products are exonerated.

**Dangerous components requiring labelling:** none

### **Safety recommendations**

**P102 - Keep out of reach of children.**

**P233 - Keep container tightly closed.**

### **National and international laws:**

- a. Regulation (EC) 1223/2009 of the European Parliament (la cosmetics)
- b. Regulation (EC) 1907/2006 of the European Parliament (REACH)
- c. Regulation (EC) 1272/2008 of the European Parliament (CLP)
- d. Directive 1999/45/EC and subsequent amendments to the classific packaging and labeling of dangerous preparations of mixtures
- e. Directive 67/548/EEC (Directive mother on the classific packaging and labeling of dangerous substances) and subsequent amen and adjustments (technical XXIX ° adaptation implemented in Ita Decree 28 February 2006)
- f. Directive 98/24/EC on the protection of health and safety of w from risks related to chemical agents at work
- g. Directive 89/686/EEC, as amended by Regulation (EC) No. 1882/200
- h. Directive 94/55/EC on the carriage of dangerous goods by road as amended by 2004/111/CE9.
- i. Directive 96/49/EC on the Transport of Dangerous Goods by Rail as amended by 2004/110/CE10.
- j. Decree 9 April 2008, No. 81 - Health and safety at work
- k. Decree 152/2006 on environmental standards, as amended by Dec January 2008, No. 4
